## About our property

Located in the picturesque coastal town of Stonington, Connecticut, Stone Acres Farm is a beautiful setting for your rehearsal dinner, birthday party, bridal shower or any other special celebration.

The working farm, historic boxwood gardens, and rolling meadows combine elegance and rustic charm. Stone Acres Farm is the perfect venue for intimate gatherings as small as twenty or celebrations as large as two-hundred-and-fifty. The 65-acre property offers many stunning and unique locations that will highlight each moment of your special day.

Enjoy specialty cocktails and seasonal farm inspired hors-d'oeuvres in the boxwood garden and then dine under the stars next to our custom built fire-beast grill and wood-fired oven. Or you can host your dinner party inside within the walls of our beautiful and historic manor house.
